

Recognised TBT-Free Anti-Fouling System

In compliance with the IMO International Convention on the Control of Harmful Anti-fouling Systems on Ships

This certificate is issued to the company named below. The anti-fouling coating system is recognised to be compliant with the IMO International Convention on the Control of Harmful Anti-fouling Systems on Ships adopted in October 2001. This recognition does not cover other properties, such as anti-fouling performance, service life, safety or toxicity etc.

The recognition is subject to Lloyd's Register being informed of any changes in and modifications to the product's formulation or specification. Lloyd's Register reserves right to withdraw or re-issue this certificate upon any future amendments of the IMO Convention.

Manufacturer: Seacoat Technology, LLC,
31902 Industrial Park Dr.,
Pinehurst,
Texas 77362,
USA
